VOLUNTEERING

The Mississauga Ballet Association is a not-for-profit organization. We have a small staff and rely on parent volunteers to help run our recitals. Come spring, we will ask each family to dedicate some time to helping at our shows. We do not charge for costumes as we have our own costume wardrobe. We will lend each child a costume to perform in, however in order to have each child dressed and ready to perform, we must have many volunteers in the dressing rooms to help the children prepare. We also need help at our sign in and out desks to make sure we keep track of every person entering and exiting the building and volunteers to supervise the dancers when they are not on stage. We will expect all families to participate. Please contact Miss Eileen if you have questions or concerns about this at the time of registration. MBA would like to thank you in advance for your help in making next season an enjoyable and positive experience for our dancers.
