

Welcome to the Mississauga Ballet Association, a volunteer-driven, not-for-profit organization. We need the active involvement of the membership in the matters that most concern your association. Holding an Annual General Meeting (AGM) is a vital, legal requirement to maintain our charter. The AGM serves as a great opportunity for you to learn more about the association and voice your opinions, suggestions, and concerns. It is also your chance to meet the current board of directors and to vote on next year's board. A minimum proportion of the membership must be in attendance, either in person or by proxy, in order for any motions to be passed legally. All parents and guardians are permitted to vote for registered students under the age of 18. Students 18 and over are eligible to cast their own vote.
